

# Application for a Monash dial-up service

The dial-up service provided by Information Technology Services (ITS) permits access to services within the Monash University computer network. Services available include Monash web servers, Monash host machines, and Monash email.

Students requiring access to services external to Monash should connect with an Internet Service Provider (ISP).

## Rules for the dial-up service

- The service is only to be used by the person to whom the account is issued.
- The service is only to be used for Monash University related work.
- The service is only to be used for access to material and services within Monash.
- The service has usage quotas

## Dial-up service Request Declaration

## Privacy statement

The information on this form is collected for the primary purpose of assessing your request for access to the Monash University Information Technology Services (ITS) dial-up service. Other purposes of collection may include, to communicate with you, service administration and de-identified statistical analysis. The information collected on this form will be disclosed to the Disability Liaison Unit (DLU) for access authorisation purposes and de-identified analysis purposes only. If you choose not to provide all of the personal information requested by this form, it may not be possible for ITS to provide you with access to this service. You have a right to access personal information that Monash University holds about you, subject to any exceptions in relevant legislation. If you wish to seek access to your personal information or inquire about the handling of personal information, please contact the University Privacy Officer at [privacyofficer@adm.monash.edu.au](mailto:privacyofficer@adm.monash.edu.au).
